**AND**

**WHEN Third Saturday of the Month**  
**TIME** 10.00am – 11.30am

**COST FREE**

The LEGO® Builders' Group is a free group for children aged between five and fifteen on the Autism spectrum and their families and friends.

Children can come along and select from one of our many sets while forming new friendships and developing their problem solving, resilience, fine motor and social skills.

Parents are required to stay and are more than welcome to participate or chat to other families.

**To register to attend please email  
[adam.king@marymead.org.au](mailto:adam.king@marymead.org.au)  
or phone 0455 276 107**
